QUALITY POLICY STATEMENT

At INAN Management, we are more than just a management solutions provider. We are a team of dedicated professionals committed to empowering businesses like yours to thrive in today's dynamic market. With a focus on innovation, integrity, and excellence, we deliver tailored solutions that drive growth, enhance efficiency, and foster success. Our passion for helping clients achieve their goals is at the center of everything we do, and we look forward to partnering with you on your journey to success.

“To achieve the above feat, we are committed to ensure adherence to and satisfaction of customers, and other relevant interested parties; all relevant and applicable requirements; and the continual improvement of the QMS by constantly reviewing the elements of this policy for suitability during management review meetings”.

This statement of our commitment is appropriate to the scope and nature of our operations defined in the Scope of our Integrated Management System (IMS); the Context of our Organization as detailed in our Apex Manual, Context of the Organization Procedure, Internal & External Issues, the Needs & Expectations of our relevant Interested Parties; and also supports our strategic direction as detailed in the Business Plan.

This policy statement provides a framework for the establishment and reviewing of the quality objectives which shall be developed by each process head and approved by top management.

This policy statement is communicated and understood by all personnel and applied within the organization. It is also available to relevant interested parties as appropriate to our organization and maintained as documented information.
